AFFIDAVIT OF DEPHONSO WILSON #267992

My name is Dephonso Wilson and I state that at the age of 17. I was picked up at my place in Bay City, Michigan for the 5th time by Detroit Police Officers and taken to different hotels in Detroit, MI for the purpose of engaging in Sex with other women 17 and 18.

What was good about it was that I met alot of people, like Sean Combs, and I was at several meetings with Mr. Combs and a Judge out of Detroit who was known as Kym Worthy-She was the lady who took down those 2 white cops for killing Melic Green with flashlights. Anyway, at one meeting in June 1997. I was at a meeting with Derrick and Kym and some other people but Sean Combs was there too and Derrick gave some money, which was over \$100,000.00 dollars to Kym Worthy and she gave it to Sean Combs, and they signed a Big Agreement on the hood of Derrick's Car--Derrick had just got done hitting Sean Combs with a tire iron after he had taken out 2 of his Body Guards--he was mad--He was yelling some stuff about, "You Just raped me asshole" and I am going to Kill you Sean!--

Then Kym Worthy had said that she would "Put some rapes on Derrick if Derrick Messed up her investment in Combs! And that she would Kill Derrick's Family! Derrick then had to calm down and Then he went to the Hospital.

I was scared about all this because this is a Sean Combs and he had a lot of power, Bad Boy Records.. So I stayed Quiet, then I saw Combs Got Arrested and I also saw that Derrick had sued him and so, I am coming forward now because Kym Worthy covered up a Rape and Took Money from Derrick and gave it to Sean Combs--

I will testify to these facts if you want me to because they happened and That woman covered it up and kept it all quiet.

I also heard her say to the Other Police to Get the Rape Kit and Bring it back to her.

VERIFICATION

i will swear to these events because they happened and are real and true
and ~~I experienced~~ them and saw them with my own eyes.
